The Deerpark Monthly Update – June 2009

By: Karl A. Brabenec, Councilman

We have been informed that the construction work on County Route 61 in Westbrookville/Cuddebackville will finally be finished and the road will open by the end of August. This will indeed save a lot of time for the residents that live in the area. In addition, improvement work has finally begun on County Route 15 in Port Jervis. It is my understanding that they have also created a passing lane by the 84 entrance to relieve traffic problems.

The first annual Economic Development Lunch held on May 27th was a great success. About 153 people attended and heard guest speakers from New York State Economic Development, and local financial institutions on grant and loan opportunities for business expansion. We look forward to continuing the conversation over the next few months to identify any problems the town faces for economic development. Thanks to all the organizers and participants for your input.

The Cuddebackville Fire District will hold a special election on July 14, 2009 at the Cuddebackville Fire House located at 15 Route 211, between the hours of 6 PM and 9 PM. The purpose of this election is to vote on selling Engine 803. If you live in the Cuddebackville Fire District, please go and voice your opinion on that evening.

The Deerpark Family Festival will be held at New Hope Farms in Huguenot on July 9 - 12th. The event will feature all sorts of amusement rides for the kids, food, musical entertainment and vendors from the community. Admission is free and ride tickets are available for purchase at the event. Thank you to the organizers who have kept this great event alive!

The Neversink Valley Area Museum on Hoag Rd. in Cuddebackville will host the Great Beer Expo on Saturday, July 25th, from 2-6 PM. It will feature more than 25 international

breweries presenting more than 50 of their finest brews for sampling. Admission allows adults ages 21 and over to enjoy beer sampling, education, and live entertainment. The event will help raise funds for the Neversink Valley Area Museum. For more information, visit www.greatbeerexpo.com/neversink/

Until next month, I wish you health and happiness!
